Investment Attitudes and Preferences

Please indicate whether you agree or disagree with the following statements.

Statement	Agree	Disagree				
I am uncomfortable with any significant fluctuation in my portfolio.						
I monitor my investments frequently.						
It's important that my investments grow faster than inflation, even if my investments aren't 100% safe.						
I prefer mutual funds or exchange-traded funds to individual stocks or bonds.						
I prefer investing in large, stable companies.						
I would be uncomfortable if my investment income varied substantially from month to month.						
I feel comfortable with aggressive growth investments.						
I consider myself a risk taker.						
I would describe myself as a "buy and hold" investor.						
In my household, I am the sole decision-maker about investments.						
I prefer to invest more conservatively than my spouse/partner.						
I feel comfortable using leverage when investing.						
My family has no difficulty maintaining a financial cushion for emergencies.						
I am optimistic about the world economy.						
I use dollar-cost averaging (regularly investing equal amounts of money in a single investment).
